BUDGET 2027

REWARDING WORK, REDUCING COSTS AND PROTECTING OUR FUTURE

Budget 2027 is about rewarding work, easing the cost of living and planning responsibly for our future. We are supporting workers and families with rising costs while continuing to invest in housing, healthcare, schools and transport.

We are helping parents with childcare costs, strengthening supports for people with disabilities and investing in safer communities.

We are also taking a responsible approach to public finances. We cannot take strong economic conditions or corporation tax receipts for granted.

This is a summary of Budget 2027.

Should you need more information, please contact my office.
